

Milline on sinu pere?

What's your family like?

Krista: Mul on väga tore pere. Mul on abikaasa Timo, ta on 39-aastane. Ta on sportlik ja töökas ja väga hea isa lastele ja temaga saab vahel nalja, mis mulle väga meeldib.

I have a very nice family. I have a husband Timo, he is 39 years old. He is athletic and hard working and a very good father to the children, and it's lots of fun with him, which I like a lot.

Ja siis on mul veel kolm last. Kõige vanem on tüdruk, Sigrid, ta on 14-aastane. Tema on väga aktiivne, tantsib ja sõidab lumelauaga. Ta on ka väga heasüdamlik ja abivalmis. Siis on Sigvard, kes on 12-aastane. Tema suur kirg on jalgpall, ta on väga auahne ja ta tahaks saada kuulsaks jalgpalluriks. Ja pesamuna on Sixten, kes on 9-aastane. Temale meeldib ka jalgpall, ta tahaks väga venna moodi olla, aga iseloomult on ta selline rõõmsameelne ja seltskondlik.

And so I also have three children. The oldest one is a girl Sigrid, she is 14 years old. She is very active, dances and rides a snowboard. She is also very good-hearted and helpful. Then there is Sigvard, who is 12 years old. His big passion is football, he is very ambitious, and he would like to become a famous football player. And the baby of the family is Sixten, who is 9 years old. He also likes football, he would like to be like his brother a lot, yet his nature is more cheerful and outgoing.

Kiur: Õdesid-vendi mul ei ole. Mul on ema, ma elan ema juures. Siis mul on vanaemad-vanaisad. Ühed elavad Viimsis ja teised elavad natuke Tabasalust edasi.

I don't have any siblings. I have a mother, I live with my mother. Then I have grandmothers and grandfathers. One lot lives in Viimsi and the others live a bit past Tabasalu.

Mihkel: Mul on suur pere, mul on kaks õde ja üks vend ja ema ja isa. Me oleme sellised hästi jutukad, ma arvan.

I have a big family, I have two sisters and one brother and a mother and father. We are very talkative types, I think.

Ingrid: Mul on kolm last. Kõige vanem on tütar, siis järgmine on poeg ja siis mul on veel üks poeg. Ma olin siis 39-aastane, kui viimane poeg sündis.

I have three children. The oldest one is a daughter, then the next one is a son then I have one more son. I was 39 years old when my last son was born.
