

## Ostmine, kauba uurimine, allahindlus

Shopping, enquiry, discount

**Müüja:** Tere, kas saan kuidagi abiks olla?  
Hello, can I help you in some way?

**Klient:** Jah, ma tahaksin pesumasinat osta.  
Yes, I would like to buy a washing machine.

**Müüja:** Tulge palun minuga kaasa. Pesumasinad on meil siinpool.  
Missugust teil vaja on?  
Please come with me. The washing machines are over here. What kind do you need?

**Klient:** Ma tahaks, et see masin oleks valget värvi.  
I would like this machine's colour to be white.

**Müüja:** Jah. Meie pesumasinad on kõik valged. Valgeid pesumasinaid ostetakse kõige rohkem.  
Yes. All our washing machines are white. White washing machines are purchased the most.

**Klient:** Väga hea. Mis teil praegu soodsa hinnaga on?  
Very good. What do you have that's on sale at the moment?

**Müüja:** See sõltub teie soovidest. Kui palju see masin umbes maksta võiks?  
It depends on what you wish. Approximately how much could the machine cost?

**Klient:** Palju üle kuuesaja euro ma küll maksta ei saa.  
I can't pay much more than 600 euros.

**Müüja:** Sellise raha eest saate väga kvaliteetse masina. Need siin on kampaaniahinnaga ja kui teil on kliendikaart, saate veel kümme protsenti odavamalt.  
You get a very good quality machine with that kind of money.

These here are on sale and if you have a client card you'll get a ten per cent discount.

**Klient:** Mul ei ole kliendikaarti.  
I don't have a client card.

**Müüja:** Vormistame. Vormistamine ei maksa midagi. Missugust mudelit te siis soovite?  
We'll register you as a client. It doesn't cost anything. Which model would you like then?

**Klient:** Seda valget siin.  
This white one here.

**Müüja:** Kohe kontrollin, kas see masin on laos olemas. Teate, see näidis siin ongi meil viimane eksemplar.  
I'll check immediately if we have this machine in stock. You know this machine here is our last one.

**Klient:** Kas te saate sellele siis veel natukene allahindlust teha?  
Could you give me a further discount on this one then?

**Müüja:** Ei saa.  
No, I can't.

**Klient:** Tõesti? Äkki siiski?  
Really? Are you sure?

**Müüja:** Vaadake, see on lõplik hind. Ainult teile ja ainult täna.  
Look, this is the final price. For you only and today only.

**Klient:** Las ma mõtlen.  
Let me think.

**Müüja:** Lähme kassasse!  
Let's go to the sales counter!
